What book are you reading now?
“Ranger’s Apprentice” series
by John Flanagan

What was the last book you read?
“The Pendragon” series
by D.J. MacHale

Why do you think reading is important or why do you like reading?
“I enjoy reading because it is a great hobby to have instead of just watching TV or playing video games all the time. It’s something I never get sick of. I think reading is important because it broadens your mind. When reading a good book you’ll never know when you’ll stop”.

Student Reader of the Month for July
Alex year 11
