Student Reader of the Month
for September
Noah  year 11

What book are you reading now?
“The Never-Ending Road”
by Mochtar Lubis

What was the last book you read?
“A Tale for the Time Being”
by Ruth Ozeki

Why do you think reading is important or why do you like reading?
Getting into a good book makes the day more relaxing and is a well deserved break after I come home from school or finish some homework. Reading is far more productive and useful than doing things such as playing video games, which is why I get a sense of fulfilment when I read. Personally, I also feel like reading is one of the most important things that you can do as it exercises the mind and expands your imagination.
